Rose Results

Another successful Rose Sale is winding down. Chairman John Reff congratulated the membership on their over 80% participation and has named the top sellers:

*Harol Fruetel – 243 dozen
Daryl Knoer – 206 dozen*

In all, approximately 2,100 dozen roses were sold with a gross income of around \$25,000. After expenses, we will realize a net profit of about \$11,000 for this annual fundraising event. The profits are used for many Rotary projects during the year.

Congratulations go to the Rose Committee: John Reff, Jeremy Fayette, Reggie Licari, Tom Reise and Emily Lahti.

Park Project

President Curt mentioned that the club may get involved with a city park improvement project. If you are interested in such a project, please let Curt know.

Rotary Around the World

Thanks in part to the Rotary Club of Rogersville, Tenn., USA, East Tennessee State University's foreign languages and communications departments participated in a unique collaboration, the result of which was El Nuevo Review, the region's first bilingual newspaper. ETSU students designed, wrote and translated the articles, which, gave foreign language and communications majors a chance to expand their educational experience and learn about another culture.

The Rogersville Rotarians helped pay the publication expenses for El Nuevo, which appeared in the northeast Tennessee community in May 2000. Says Rotarians Jeannie Davis: "With our area's growing Hispanic population, there is a real need for this."
