Got a suggestion for a program? Following are program chairs for the upcoming year. They'd like to hear from you.

July – Curt Lundquist
 August – Warren Larson
 September – Sue Kringen
 October – Lori Paris
 November – Duane Christianson
 December – Sue Doeden
 January – Curt Lundquist
 February – Warren Larson
 March – Sue Kringen
 April – Lori Paris
 May – Duane Christianson
 June – Sue Doeden

Ambassadorial Scholarship

Kirsten Moffett has been chosen as a candidate from our club for an Ambassadorial scholarship. She is a junior at Concordia and the daughter of Dave and Babs Moffett, Bemidji. Her choices for destination are Australia, New Zealand or Scotland. Her name will now be submitted to the district competition.

Ambassadorial scholars spend several months abroad in university level, language or vocational studies, learning about other cultures and serving as ambassadors of goodwill for Rotary and their communities.

Rotary Around the World

The Rotary Club of Elk Grove Village, Ill., USA, has sent tens of thousands of used textbooks to Brits, South Africa. Rotarians Bill Marston, a sales director for an international freight and customs brokers, helped obtain the necessary permits to ship five tons of books last year. The club pays US\$200 per ton, using money from its annual weeklong fundraiser, Rotary Fest.

Rotarians on Amateur Radio (ROAR)

Rotarians on Amateur Radio (ROAR) meet on the air. Participants are heard from all over the world. On the night of June 30, ROAR members were heard from Australia, France, Spain, England, Sweden, United States, Canada, and Portugal. In addition, a special station set up and participated directly from the international convention site. It's an enjoyable way to further the Rotary mission. Interested in amateur ham radio? Contact Rotarian Gurnee Bridgman, W9NT.

Visiting Rotarian

John Smith, Santa Marita, California – Sunrise
