Get Well Soon

Here's wishing Jack Naylor a speedy recovery.

Host Families Needed

Our Rotary Exchange Student for the coming year is Jose Carlos Hernandez Lozano. "Chino", as he likes to be called, is from Tepic, Mexico in the province of Nayarit. He is interested in history, soccer, and other sports and cultural activities. His father is a rural development secretary, and his mother is the boss of the organizational

development department in the Public Education Secretary's office. He has two younger sisters, 13 and 6.

Three host families are needed to accommodate Chino. They usually have the student for 3-4 months during mid-August until June. The family does not have to have a Rotarian member.

If you are interested in getting more information, contact Deb McGregor Pfleger or Debbie Grovum.

Reis Hall Memorial

A memorial check has been received in honor of Reis Hall, and the funds will be designated to RYLA. We will sponsor an additional student next year in addition to the three we already sponsor.

Painting Project

Because of a scheduling conflict, the Rotary Pavilion painting project will be rescheduled. Chairman Steve Inkel will keep us informed on this project.

Sow the Seeds of Love

(Excerpt from a letter to all Rotarians from RI President Bhichai Rattakul)

Each of us can make a difference in laying the foundation for peace. We represent 156 countries, speak dozens of different languages, and hold a wide range of religious beliefs. In these troubled times, we must redouble our efforts to bridge the gaps that so violently divide countries, races, cultures, religions, and ethnic groups. We must focus not on our differences but on our shared human condition.

Paul Harris once said, "Rotary is a microcosm of a world at peace, a model which nations would do well to follow." We can all serve as ambassadors of peace at the grassroots level. Together, let us *Sow the Seeds of Love* so that peace will grow and flourish throughout the world.
