#### Congratulations to District Winners

Bemidji Rotary can be proud to have received two of the top awards at the recent District Conference.

Heartiest congratulations go to Ted Will who was chosen as Rotarian of the Year for District 5580. It was an honor well deserved for many years of service to the causes of Rotary.

A second honor went to the club for Best Web Site in the district. Gary Johnson was recognized for his work on the web site, which was chosen from among 65 clubs in the district.

#### Worth Repeating

"I believe that the impact of what we do in our daily lives, in our professions, in our workplaces, and in our communities leaves the greatest impressions of our service. We cannot predict how significant the impact of our actions will be. But we do know this: Everything we do will make an impact - because every action has a positive or negative effect. Our goal is to have the cumulative effects be positive."

- RI President-elect Glenn E. Estess Sr., Addressing participants at the International Assembly in Anaheim, California, USA, in February
