Project Green – Update

Let's beautify Bemidji!! Here's what we've got going so far. We plan on having our project green-up kick-off day on Monday, June 21st, during our regular noon lunch meeting, at the Tourist Center lakefront and Rotary Pavilion. We will be potentially planting a tree or two, or at the least doing a ribbon cutting on the several trees that have been planted for the occasion. From there we will be getting a blueprint from MNDOT and their landscaper outlining Hwy 197 from the west end of town to the Mississippi River and where, what and when we can be doing plantings all along that stretch. This will be done gradually and through the upcoming year(s). So let's push for strong support and adding trees to our community!

Dear Bemidji Rotary Club:

Thank you so much for awarding me the Bemidji Rotary Scholarship. I was extremely honored when I was notified that I would be receiving the scholarship. This scholarship is greatly appreciated and will definitely aid in financing my education.

Sincerely,

Katie Fiecke

Dear Bemidji Rotary Club:

Thank you for the generous pledge of \$30,000 that the Bemidji Rotary Club (Noon) has pledged to the Boys & Girls Club of the Bemidji Area. Your sponsorship of the Computer Lab in the new facility will be an asset to the youth of Bemidji for years to come.

It has been a pleasure working with you and the members of the Bemidji Rotary Club (Noon). Your insights about the community and your enthusiasm for our Club has been very beneficial to the project. This truly is a grass roots movement that began as an idea and has advanced steadily to a reality. The leadership role that the Bemidji Rotary Club (Noon) has taken in the project has been instrumental to the success of the Boy's & Girls Club of the Bemidji Area. Your organization was one of the first to make an investment with your donation of \$5,379 for six computers, a printer and router. You are an amazing group of people that have impacted the community of Bemidji for good in many ways. The Board and Staff of the Boys & Girls Club of the Bemidji Area are most grateful to you.

Sincerely,

Leonore Potter
