#### Congratulations from District Governor

Dear President Sue –

Congratulations on achieving the Presidential Citation this year. You are to be commended for reaching the goals that were set by President Jonathan Majiyagbe. This year, as usual, achieving the goals of the Presidential Citation means that your club functioned at the level that Rotary International would like to see all clubs reach. In other words, you did all of those things that make for a great club – growing your membership, conducting meaningful service projects, supporting the Rotary Foundation, and helping to prepare leaders for beyond the club level. So, once again, congratulations on achieving the Presidential Citation.

Sincerely in Rotary,  
Claudette Holly, District Governor  
District 5580 2004-05
