ODC Shelter Needs Your Help!

Noon Rotary is teaming up with the Sunrise Rotary group to build a bus shelter for the Occupational Development Center. The ODC provides employment opportunities to individuals with disabilities. All supplies have been purchased through a grant from the Neilson Foundation. Al Bontrager and Chris Keenan will be our expert building advisers, and we are in need of Rotarians to help under their guidance. The Sunrise Rotary group has three individuals to help, but we are in desperate need of a few more helping hands.

Dates: Saturday, October 8 @ 8:00 am.

Saturday, October 15 @ 8:00 am.

Because of weather we are hoping to have this complete in two days. Please contact either Scott Turn @ 444-3486 or Amy Saeland @ 333-5494 if you are available to help.
